Sustainable, Attainable at Mayer Fabrics.

CARE AND CLEANING INFORMATION

CFC: Coated Fabrics Cleaning – Refer to Mayer website for complete cleaning info.

W: Water-Based Cleaner

WS: Water/Solvent Cleaner

BC: Bleach Cleanable – 1 part bleach, 9 parts water = 10% bleach, 90% water solution. Do not clean/disinfect fabric for longer than 10 minutes using the 10% bleach solution. Always rinse promptly with clean water after applying the bleach solution. Failure to do so will void any and all warranties.

ADDITIONAL INFORMATION

CAL TB 133: All patterns may comply with California Technical Bulletin 133 when combined with appropriate components.

^Abrasion: Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan.

Custom Capabilities: All patterns can be custom colored. Minimum yardage applies.

Digital Swatch Card Color Matching: Due to color variations on different monitors and color printers, actual swatch colors may vary slightly. Please request a memo sample from Mayer Fabrics to ensure proper color representation.

Specifications: Specifications are correct at the time of printing. Additional specifications are available on our website.

These fabrics meet or exceed these ACT performance guidelines. *Certification Marks owned by ACT*
