How is the pattern applied on the chair?

If the customer desires a pattern to be placed horizontally or vertically - we must be informed on the Purchase Order. Otherwise, KFI will apply the upholstery to the chair as deemed appropriate or per recommendation from the manufacturer.

What is the warranty on the upholstery?

Most products are guaranteed for five years against unusual wear - provided the material is not abused and has been cared for properly. This warranty is void if product is not used for its intended purpose or if subjected to an unusual application, abuse or normal wear and tear. This warranty is based on a 40 hour work week. Please visit website for full warranty information.

**Please be aware that moisture barrier fabrics, such as woven Crypton, do not tailor well on certain products. Moisture barrier fabrics have zero stretch and can leave undesirable wrinkles.
